Model	KTL-LC400	KTL-LC400M	KTL-LC400GM
Voltage	AC 220V		
Frequency	50Hz		
Total power	200W	220W	500W
Display mode	4.3-inch touch screen		
Slap speed range	3-12 times/s		
Effective volume	3-400ml		
Disinfection function	/	Yes	
Disinfection wavelength	/	253.7nm	
Timing range tapping time	1S-99h59m59m or continuous operation		
Program editing function	8-segment combination		
Net weight	18kg		
Dimensions	460×250×330mm
